Preferences and Needs:

What do we need to know to ensure your child's preferences/needs are met e.g. Are there any dietary guidelines/dress codes we need to follow or support?

Non Football Activities Risk Assessment:

There may be occasions when your child is involved in planned and structured non-football activities such as a trip to the cinema, bowling or participating in a fundraising event. The Club will have collected appropriate information in preparation for the activity (e.g. about the journey, the children's various needs and helper skills), identified any potential risks or dangers, minimised the risks and the dangers by careful planning and identifying precautions and making sure we know who is putting the precautions in place (e.g. who will carry First Aid Kit).

This process is called a Risk Assessment.
